eSIGNATURES

VS

Wet Signatures

TRACKING

Using IP addresses & Geo Tracking means only the right person can sign

Meaning no signature forgeries

## Filing time

You spend averagely **3 MONTHS** looking for documents

Files are stored safely online

Security

No tampering and full security with SSL ENCRYPTION

Once signed, documents are **STORED SAFELY** for access by you **ANYWHERE**

ENVRIONMENT

You use at least 10,000 sheets of paper a year, that's 1 tree per person per year!
