Together...
we helped the planet

You saved paper...

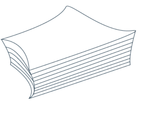
3x
average pages per envelope

8M
sheets of paper *saved*

2.7M
envelopes *sent*

which is...

1600 reams

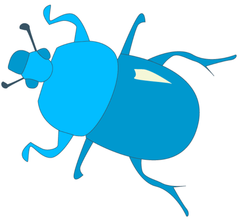


You helped save
1,060
trees!

You saved enough energy to power
1,340
refridgerators for a whole year...

948,000 gallons
of water saved from paper production

You have protected
9
endangered species...



...and protected **16.5 acres** of forest and biodiversity

£

Together, you saved
£88,400
this year

$

* If each ream of paper costs around £5.50

Overall,

you saved
~13 million
days of contract signing

So, thank you.
